God's secret plan has been revealed to us; it is a plan centered on Christ, designed long ago according to his good pleasure. Ephesians 1:9 (NLT)

Christ Centered Yoga™ fuses Biblical study with yoga for a uniquely soulful experience. By incorporating all that we are - body, mind, and spirit - into our yoga practice, it becomes a powerful prayer that brings a rare sense of peace and purpose to the practitioner. Join us as we discover the seven elements of a Christ Centered Yoga™ class, the four components of prayer, the benefits of yoga, faith and prayer on health, discuss pose form and alignment, practice cueing and review the modifications for the most common yoga poses. This teacher training workshop is open to students. People of all faiths are warmly welcome.
